

LIVIN HILL

FURNITURE WITH SOUL

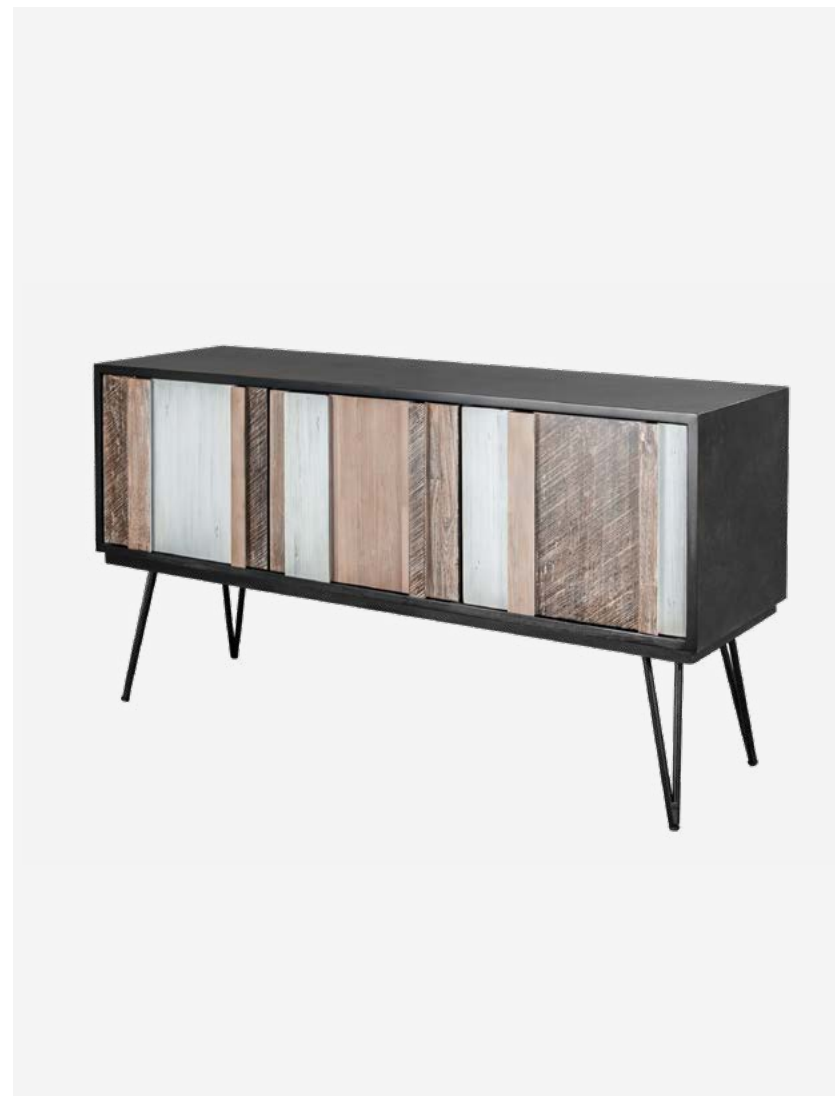

The **Livin Hill** brand was created out of love for Italian and Provençal furniture. We are part of the COMAD company, which has been producing furniture for over 20 years. In our everyday work, we use our machinery, experience and business contacts developed through years of manufacturing and distributing bathroom furniture.

Since 2010, under the **Livin Hill** brand, we have been supplying unconventional styled furniture to furniture shops and showrooms across Europe. We work with large corporate clients, local retailers and online portals. We are characterised by obsessive attention to business relationships, the high quality of the materials used, and designs that combine fashionable details with classic furniture pieces.

We actively participate in industry events, follow the latest trends, are inspired by the work of world-renowned designers – we are constantly evolving. The furniture we create accompanies us every day, we use it in our offices and homes. We are in love with Livin Hill furniture – we believe your customers will feel it too!

ADESSO #modern_retro

ADESSO

The Adesso collection is stylish furniture inspired by Scandinavian minimalism, ideal for the living room, bedroom or hallway. They are characterised by a combination of black body with 3D fronts imitating different types of wood, which introduces nature into interiors with subdued colours.

Adesso is furniture for the discerning, combining elegance and chic. High-quality acacia wood, powder-coated steel legs and visible wood structure are the defining features of this series. The minimalist design with the characteristic black triangular legs fits perfectly into Scandinavian, modern and classic interiors.

Durable furniture made of wood, combined with metal details and a simple form, is the perfect choice for lovers of Scandinavian interiors who appreciate minimalism.

ASHTON #retro_style

ASHTON

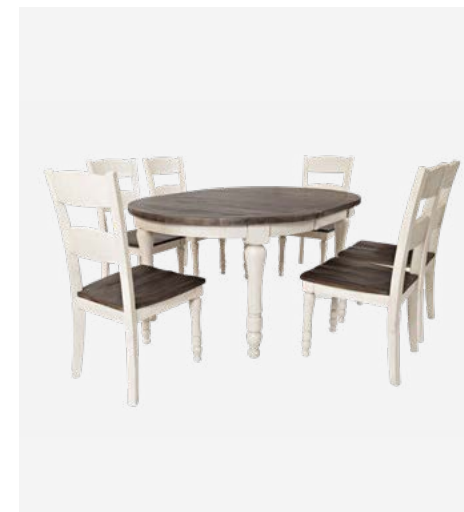

The Ashton collection is exclusive wooden furniture, ideal for lovers of retro, vintage and minimalist design styles. They are characterised by high quality workmanship and resistance to damage.

This elegant and functional furniture is distinguished by the simplicity of the solids, brass-coloured metal handles and herringbone inlay on the wooden fronts. The solid, cone-shaped wooden legs add to their character. The brushed surface and the different shades of wood make the furniture blend in perfectly with a variety of interiors.

The timeless design, capacious drawers on quiet runners and solid construction, guarantee the durability and functionality of the furniture for years.

AVOLA #eclectic_style

AVOLA

The Avola furniture collection is a combination of variety, breaking styles and a fever of colours. Openwork accents, elegant solids and gentle ageing define this series, ideal for eclectic interiors. Handmade from natural materials such as stone, wood and leather, they are characterised by high quality and attention to detail.

Despite the differences in shapes and styles, Avola furniture blends harmoniously to create original, cosy arrangements. The series is characterized by functionality, unique design and careful workmanship of each element, offering a rich palette of colors and patterns referring to classic and modern interior design styles.

The Avola collection is the perfect choice for those looking for unique furniture that delights with its variety of materials and forms.

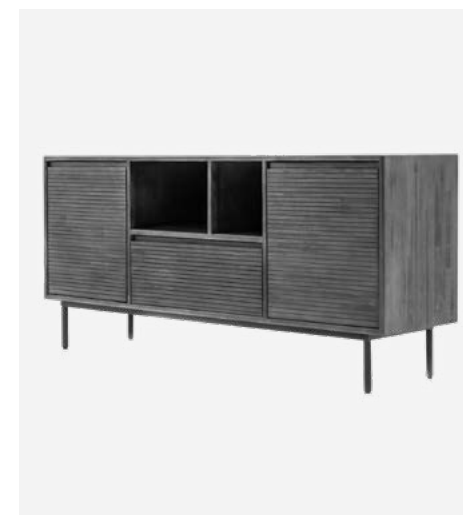

AVOLA #eclectic_style

AVOLA #eclectic_style

CAPELLA #modern_retro

CAPELLA

The Capella collection is an ideal solution for modern interiors, combining a classic shape with fresh design and subdued colors. They are characterized by a deep, dark color, milled handles and straight, black metal legs, which perfectly complement contemporary spaces.

The furniture is made of acacia wood, and the brushed surface additionally emphasizes the high quality of the finish. The Capella collection works harmoniously with fabrics in warm colors and upholstered furniture, creating elegant arrangements. The neutral colors of the furniture perfectly display plants and decorations.

The collection includes chests of drawers and tables for a modern dining room or living room, as well as a massive bed with an upholstered headboard in powder pink, complete with functional cabinets for a stylish bedroom.

CHANTILLY #classic_glamour

CHANTILLY

The Chantilly furniture collection is selected furniture ideal for classic and glamour interiors. Made of beech wood in white colour, they are designed for those who appreciate elegance, harmony and order.

When designing this series, the focus was on milled fronts, decorative mouldings and impressive finishes on the tops of cabinets and countertops, which emphasises the uniqueness and value of the collection. In addition, the chrome fittings add a touch of sophistication to the furniture. The snow-white colour of the furniture opens up a wide range of design possibilities.

Chantilly furniture is characterised by the refinement of every detail. The use of blum soft close guides guarantees the convenience of quiet drawers. If you are looking for exclusive and functional glamour furniture that will last for years, the Chantilly collection is the perfect choice.

FLOW #industrial_style

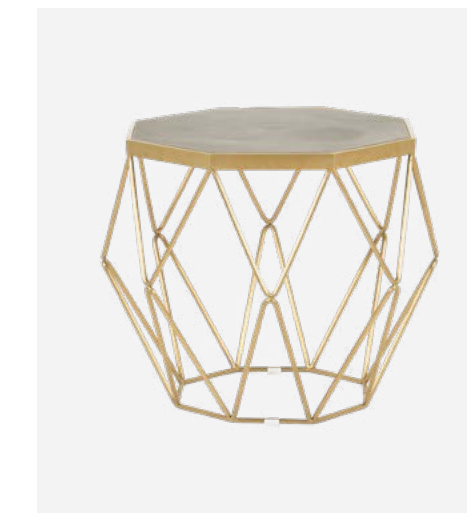

FLOW

The Flow collection is industrial furniture that stands out for its minimalism and functionality, ideal for loft-style interiors. This series offers an original design and high quality materials, perfectly matching the popularity of the industrial style.

Flow combines acacia wood with metal elements, creating a coherent, modern loft furniture design. The metal parts are not just an accessory, but a key component, emphasising the raw character of the collection. The ergonomic form, simplicity and beautiful wood structure in a sand colour with a matt metal finish give the furniture a sophisticated look.

If you are looking for industrial furniture for your living room, hallway, office or dining room, the Flow collection is an attractive proposition, combining aesthetics with practical application.

GLAMOUR #hampton_style

GLAMOUR

The Glamour collection is unique Shabby Chic style furniture, ideal for elegant spaces. They combine modern design with bold distressing, geometric shapes and classic colours such as gold, silver, grey and natural wood tones.

They are perfect for bright glamour or hampton style interiors, and can also provide an original accent in a modern-style living room or hallway.

For the sake of the environment, the furniture has been made from reclaimed, recycled materials, which appeals to those living according to Zero Waste principles.

With the Glamour collection, you can create an exclusive interior, while caring for the planet.

HUDSON #modern_classic

HUDSON

The Hudson series of sideboards is modern furniture with 3D parametric fronts, ideal for interiors in the style of modern classic style. They are characterised by high gloss, regular shape of the body, minimalist legs stainless steel legs and functional drawers with a soft-close system.

The use of high-quality, powder-coated MDF board guarantees durability without overwhelming massiveness.

Furniture with 3D fronts works harmoniously with polished stoneware and structured paints, emphasising the elegance of modern classic modern classic style.

If you are looking for a cabinet that enrich the design of your living room, hallway or bedroom, Hudson furniture with its durability and unique design will be an excellent choice.

INDUS #industrial_style

INDUS

The Indus collection is loft and industrial style furniture, combining the simple form of a steel, dark graphite construction and natural wooden tops and fronts with unique inlay decoration.

The massive metal legs in industrial black steel colour are in perfect harmony with the wooden black body and the visible wood grain, and the contrasting fronts and tops with X-shaped marquetry in natural oiled oak. The hand-laid pattern makes each piece in the series special and unique.

Indus is a proposition for those who appreciate the highest quality of workmanship, functionality, as well as the uncommon appearance of furniture industrial furniture. Universal colour combination and simple form make the furniture ideal for any interior.

LEITH #modern_design

LEITH

The Leith upholstered furniture collection is a combination of style, quality and elegance. All the furniture is characterised by fashionable shapes and colours, which add a modern touch to the room.

Only the highest quality fabrics are used to produce the furniture, which are pleasant to the touch and resistant to damage. The colours of the fabrics are carefully selected to best match the shape and style of the furniture.

The collection includes chairs, benches armchairs with a 360° swivel function. All products have been made with attention to every detail, making the furniture not only beautiful but also functional.

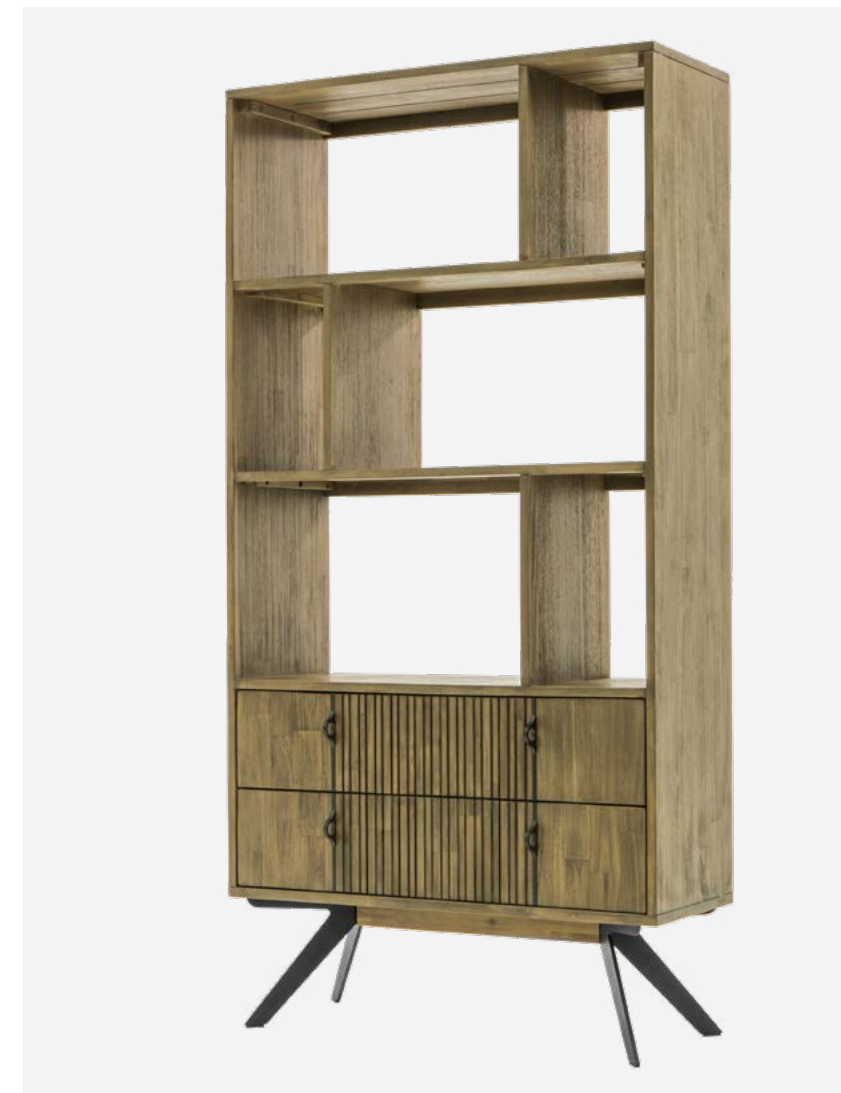

The Leith furniture collection is an excellent choice for people who appreciate style and quality. Thanks to the variety of shapes and colours, everyone will find a piece of furniture to fit to suit your interior.

LEITH #modern_design

MASSA #modern_vintage

MASSA

Minimalism, loft design and originality define the Massa collection, ideal for lovers of industrial style and loft interiors. The furniture is made of brushed acacia wood.

The collection is characterised by simple, geometric pieces and a unique structure of fronts with fashionable lamellas. The side-slanted metal legs blend smoothly with the brown tones of the wood. Ergonomic metal handles integrated into the lamella pattern emphasise the modern design. The combination of metal and wood is a timeless trend in interior design.

Massa makes it possible to furnish spacious loft spaces, imposing style and maintaining functionality. Solidity of construction and use of top quality materials will ensure that the furniture remains in perfect condition for many years.

MAZE #modern_vintage

MAZE

The intriguing Maze collection of wooden furniture is a proposal for the brave, those who value minimalism, originality and functionality. An unusual combination of massive, geometric solids with delicate metal legs attracts the eye with its original design.

The brown colour of the units and the interesting structure of the front, complemented by a subtle gold accent on the ends of the legs, give the furniture a stylish character. Maze harmonises perfectly with green plants and soft fabrics in natural colours such as beiges, blues and greys. Inspired by retro design, the furniture will fit perfectly into any modern interior.

The Maze collection provides a minimalist and modern effect in interiors, offering enormous functionality, making everyday life easier in the dining room, living room or hallway.

MODIG #modern_design

MODIG

The Modig collection is the ideal choice for lovers of modern design and high quality. It offers elegant coffee tables and stylish tables that stand out for their unique shapes and colours. The various materials used, such as travertine, marble, steel, concrete, glass and opalescent acrylic, give the furniture elegance, luxury, solidity, raw charm, lightness, spaciousness and radiance.

The products have been carefully designed and crafted with attention to detail. Furniture from the Modig collection is not only functional, but also constitute a unique decoration of the interior. They are an excellent choice for people who are looking for original additions to the living room or dining room, wishing to create a space that reflects individual style and taste.

MODIG #modern_design

NUA #modern_design

NUA

The Nua collection is modern upholstered furniture, combining style and excellent quality, in line with the latest interior trends. High-quality fabrics, such as Boucle, Chenille or Velvet, not only emphasise the exclusive character of the furniture, but also ensure durability and ease of maintenance.

Original forms and distinctive colours make the furniture both a practical piece of furniture and an artistic decoration of any room.

Careful attention to the smallest details emphasises the aesthetics and precision of the workmanship. The Nua collection includes elegant sofas, armchairs and chairs designed with ergonomics in mind, which guarantees comfort of use at the highest level, combining functionality with aesthetics.

NUA #modern_design

RIMINI #provence_style

RIMINI / RIMINI WHITE

The Rimini and Rimini White collections are available in cream and white variants. Rimini White is characterised by white bodies with contrasting black metal handles and a dark brown whitewashed top.

Rimini combines a soft cream colour scheme with a light brown top with visible wood grain and decorative handles, bringing harmony to interiors and creating a cosy atmosphere. This elegant furniture on curved legs refers with its sophisticated design to palace furniture, combining French elegance with Provencal charm.

The subdued, elegant furniture in this series is made of paulownia wood and, thanks to the carved decorative elements on the fronts and legs, the furniture is unique.

Rose Hill #modern_classic

ROSE HILL

For lovers of modern classic and modern glamour interiors, we have prepared the Rose Hill collection, which draws handfuls of inspiration from modern aesthetics and minimalist design.

The regular shape of modernist furniture combined with a 3D front, cement green and a simple gold-coloured frame – these are the attributes of the products in this series. Thanks to this combination of toned colours, the furniture does not impose too much on the interior, but wonderfully emphasises the colours of the walls, the texture of the parquet floor and creates a harmonious whole with other furnishings.

The products in this series are made of high-quality materials such as high-gloss powder-coated mdf and stainless steel legs. The drawers can be closed silently and and practically without the use of force thanks to soft-close system.

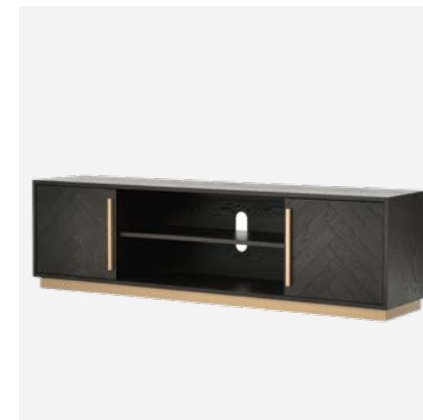

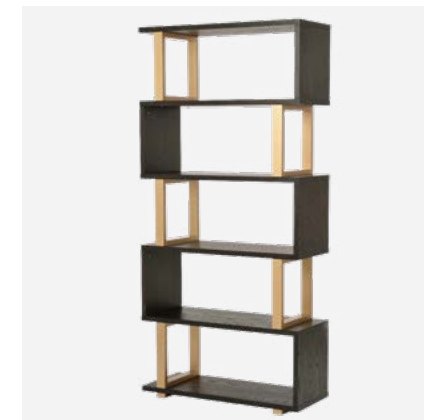

SEVILLE #modern_glamour

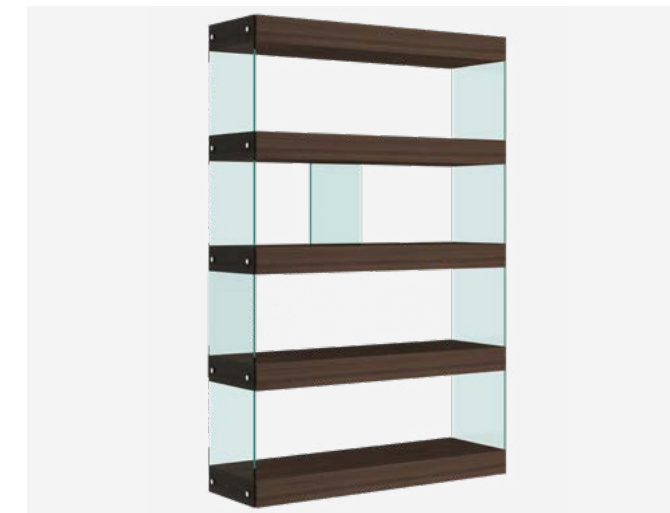

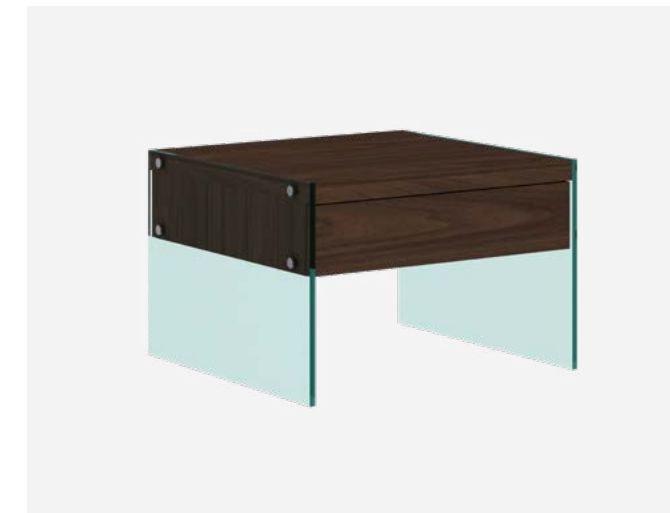

SEVILLE

The Seville collection is glamour furniture created for people who value elegance and style. The classic combination of black cabinets with gold accents delights with the harmony of shapes and variety of structures. Deep black, tops with visible wood structure and fronts with inlay emphasise the finesse of workmanship, while the use of gold in satin finish in the form of plinths and simple handles gives the furniture a modern look, creating an aesthetic contrast.

The simple form and geometric shapes suit both industrial and classic interiors, while herringbone patterned inlay add a retro touch to the furniture. The wide range of products allows for the arrangement of a dining room, living room or hallway, while the high quality and minimalist design make the furniture timeless.

SOHO #minimalistic_style

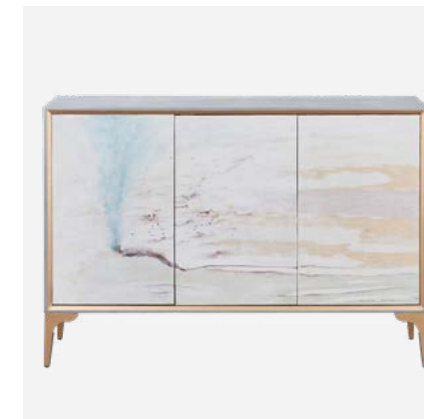

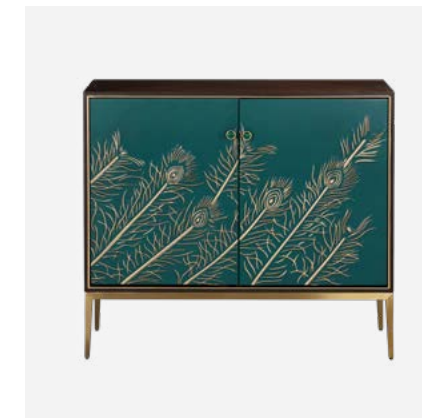

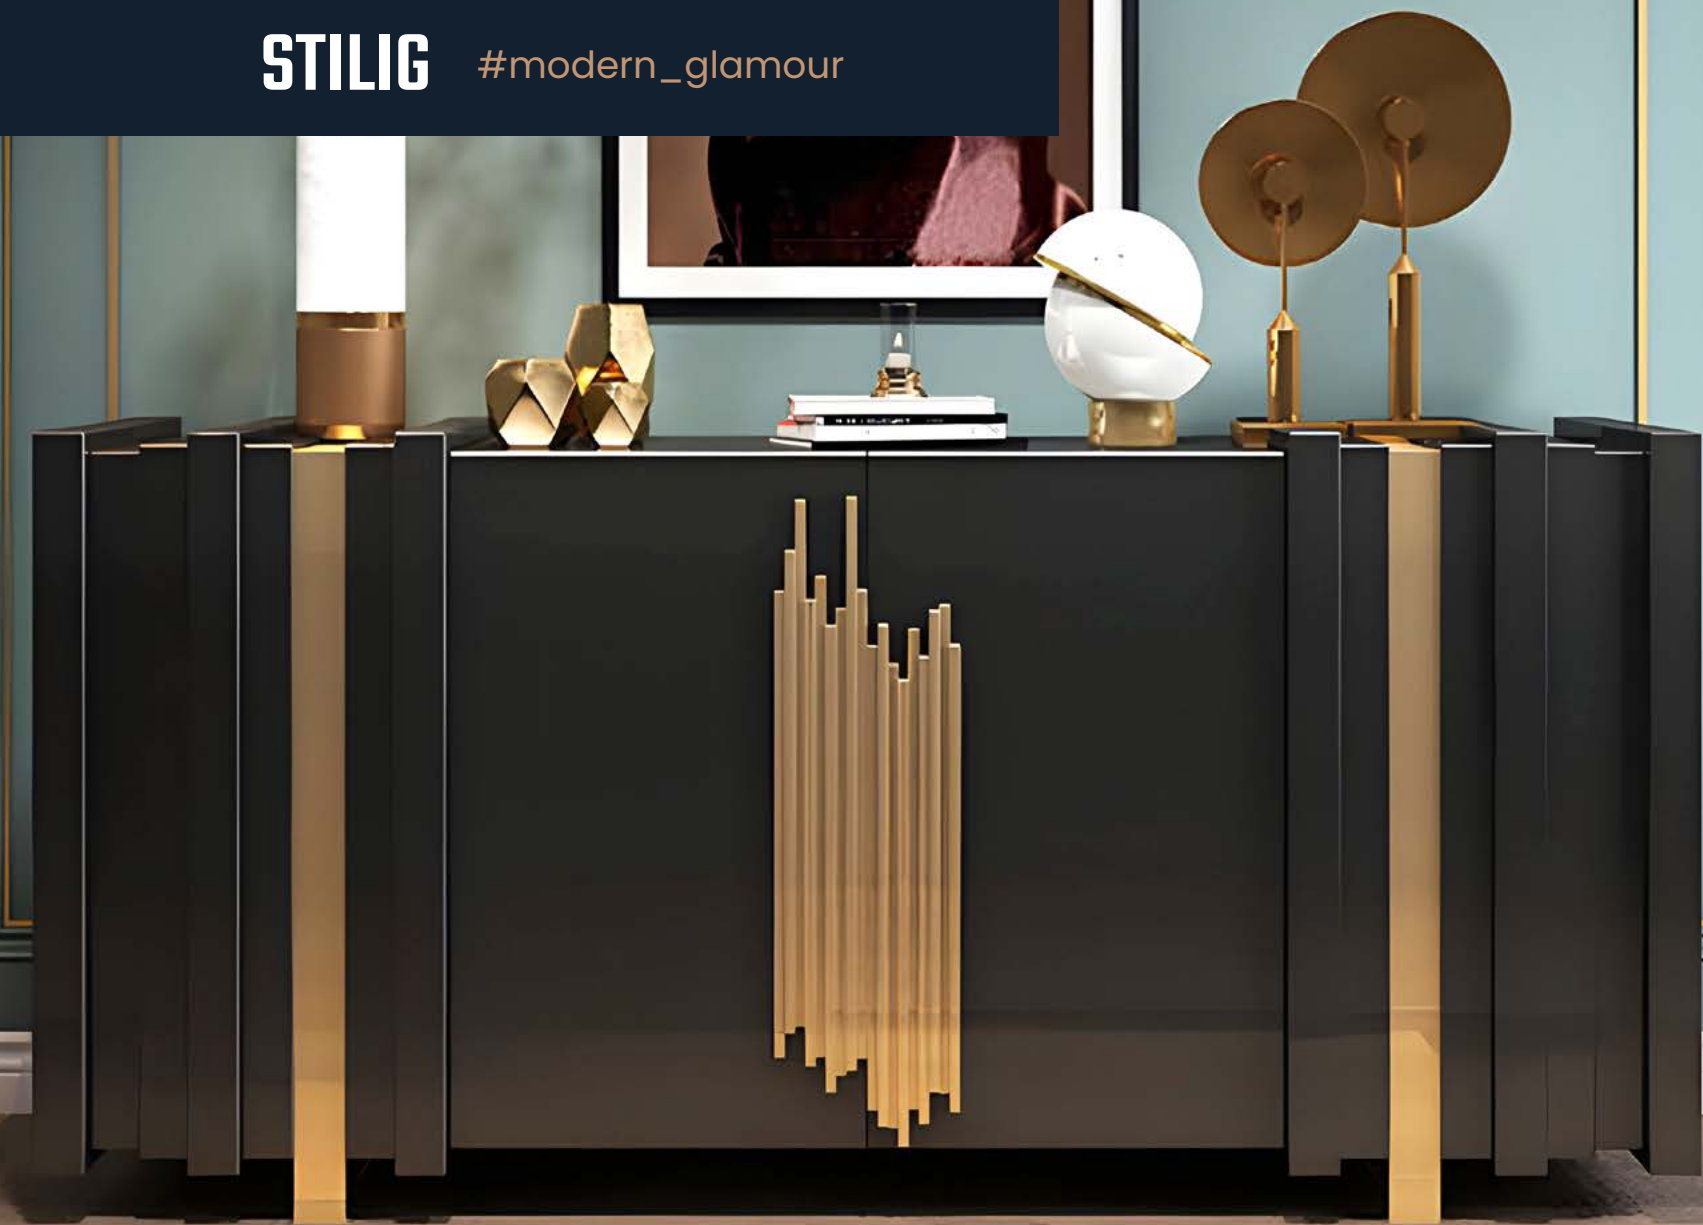

SOHO

The Soho collection is office furniture, ideal for formal and flat interiors. They combine solid wood in natural colour with tempered glass, gives the space a fresh, professional look. The visible wood grain on countertops and shelves brings interiors closer to nature and wonderfully exposes accessories made of metal or glass.

The Soho series is an excellent choice for flats, offices and or law offices. The exclusive set of products will certainly enhance the prestige of a room, while at the same time offering functionality in displaying and presenting objects. Regular shapes, refined details and a high-gloss finish makes the Soho collection also fits perfectly into minimalist or Scandinavian spaces.

STILIG #modern_glamour

STILIG

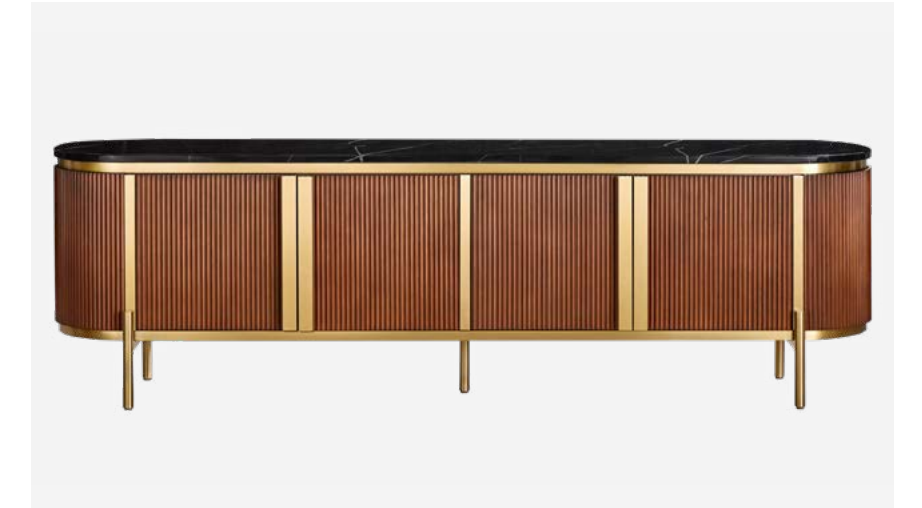

The Stilig furniture collection is a series of sideboards that not only impress with their functionality, but also with their extraordinary design. Each cabinet from this collection is a work of the utmost care, and its form and colour catch the eye from the first glance. These are pieces of furniture that not only facilitate the storage of objects, but are also a unique decoration of any room, giving it a remarkable character.

The Stilig collection is the perfect combination of elegance and functionality. They are sure to distinguish any interior, emphasising its unique style. Careful craftsmanship, attention to detail and a modern approach to design make this furniture an ideal choice for those, who are looking for something more than a simple sideboard - they are looking for a piece of furniture that will become the focal point of their home decor.

STILIG #modern_glamour

STILIG #modern_glamour

VERONA #french_style

VENEZIA BIANCO / VERONA

The Venezia Bianco and Verona collections are unique French style furniture that will transform your interior into a cosy and elegant place of rest. The furniture is characterised by rounded shapes, curves and bent legs. The delicate ivory and light beige colours give the furniture a refined feel. Made of birch wood, decorated with metal fittings and carvings, they will enhance any interior.

The Verona collection presents a French style in ivory with a honey-coloured top, while Venezia Bianco is a non-uniform semi-matte colour of bleached light beige. Velvet drawer linings, decorative studs and ageing in the form of cornicing emphasise the shabby chic style.

The collections perfectly combine tradition and modernity to create interiors with a royal flair and Provençal elegance.

Our company is a distributor for over 30 different furniture collections throughout Europe, offering more than 800 unique pieces.

We specialize in extraordinary and one-of-a-kind furniture items that are rarely found in typical furniture stores.

We are confident that we can provide you with favorable cooperation terms.

Here are some advantages we offer:

- **Available Stock:** We prioritize speed and efficiency in deliveries, ensuring that our products are almost immediately available to you.
- **Dropshipping:** We provide direct delivery of our furniture to your customers in European countries, including Germany, France, Belgium, the Netherlands, Denmark, Sweden, Poland, Czech Republic, Slovakia, Austria, and we are continually expanding our reach.
- **High-Quality Products:** We maintain the highest quality standards for our products, guaranteeing that each item meets stringent quality criteria.
- **Handling of Complaints and Returns:** Our team is prepared to assist with consumer complaints and returns, providing professional support in these matters, all in one place.
